Whistler Cup

Sending 3 females and 3 males. As of today, 2 have accepted and 1 has declined.

Discussion ensued on how far down the points list we should go to select the 6 participants.

U16 Quota Discussion

Discussion ensued on the e-mails received from parents who had taken it on themselves to inquire about additional quota spots for Atlantic Canada. It was decided that we would send only the 10 U14 and 10 U16 skiers.

Further discussion on how to tighten timelines and rely on manual calculations should be reviewed at the Face-to-face meeting.
