

ATLANTIC ALPINE/ALPIN ATLANTIQUE (AAA)

December 23, 2020

The AAA committee would like to advise Atlantic Ski Clubs, Coaches, Parents and Athletes that difficult decisions must be made based on science, safety, and the recommendations of doctors about ongoing concerns regarding COVID-19.

Therefore, the AAA committee would like to inform you of the following decisions made for the start of the upcoming racing season:

- Mont-Farlagne ski race - January 9-10; CMRC Junior Speed Camp – January 28-29; Ski NB Speed Camp – February 1-3; and the Crabbe Mountain ski race - February 5-7 have been postponed.
- The Atlantic Cup will be cancelled for 2021.
- The AAA will not send any athletes or coaches to any National events in 2021 U14 Can Am's, U16 Eastern's and Whistler Cup.

All decisions will be re-visited throughout the season and you will be apprised of any further changes as they are made.

Training opportunities can be made by individual clubs, families, and athletes. Individual Provincial Health guidelines/regulations must be followed at all times.

On behalf of the AAA, we would like to wish you a safe and happy holiday season.

Kinds regards,

Richard (Dick) Daigle

Chair
