

2021 AGM

Executive Director's Report

2021 saw another year of cancelled ski racing due to COVID-19. It has been another difficult year for our athletes, parents, Clubs and Operators.

Financially, SKI NB has come through the pandemic financially sound and ready to head into a new season. The financial statements are in your AGM package and revenue was consistent with past years and expenses were down due reduced ski racing. Overall, we finished 2020-2021 with a \$3.9K net income.

Congratulations to Andrew Arseneau – PMRC for being named 2021 Ski NB Coach of the Year.

It looks like we will see ski racing return in 2022.

This will be my last AGM as I have given notice to Ski NB that I plan to step down as Executive Director at the end of December 2021.
