

Hello Ski NB members,

In an effort to reduce the volume of email communications to our membership, Ski NB will be creating various messages throughout the season. There will be a weekly/biweekly communication focused on reminders and upcoming events, a monthly bulletin (recap and looking forward) as well as a newsletter periodically throughout the season. I welcome your feedback on both the new process and content of the communications. Please send along any comments to me at execdir@skinb.ca

To stay current check out our **What's Happening** section on our Home Page for current topics at <https://www.skinb.ca/> and **be sure to follow us** on Facebook at <https://www.facebook.com/profile.php?id=100057263425802#> and Instagram at skinb_1

Thanks!

Carla MacNeil

Executive Director – Ski NB

Making the Case for the Value of Ski Racing - Alpine Canada/Deloitte Survey

Alpine Canada Alpin (ACA) is aiming to develop a business case on the long-term value of ski racing that equips Provincial Sports Organizations (PSOs) and race clubs with information that supports growth and enhances collaboration opportunities with ski resorts. With agreement from member PSOs ACA has retained Deloitte's Sport Business Advisory team for this project.

Stay tuned later this month for a communication from Ski NB to complete the survey. Your input is very important!
