### NAGANO ALPIN CUT-RESISTANT BASE LAYER IS FIS CERTIFIED WITH 4 STARS.

The highest certification granted to date by the FIS for anti-cut clothing in Canada and Europe.

At Ski NB, the safety and success of our athletes always come first. We are proud to offer our members a **group order opportunity** for the **Nagano Skate Alpine Cut-Resistant Base Layers** – protective clothing designed in Canada and trusted by the world's best athletes.

### Why Nagano Skate?

Founded by Canadian Olympians François Drolet and Éric Bédard (Nagano 1998), Nagano Skate was created to combine athlete insight with technical expertise. Their mission: keep the next generation of athletes safe with world-class protective gear.

### Safety Comes First:

- **FIS 4-Star Certification** – highest rating for cut protection
- **EN388 Level 4 Abrasion Resistance** – protects against friction burns
- **Anti-laceration** protection from ski edges
- **Hypoallergenic**, 4-way stretch fabric – comfort & performance

- Do your best when measuring — a close estimate is fine.
  - Kids are growing — sizing up is often a smart choice.
- Use a flexible tape measure for more accurate results.
  - Compare your measurements with the chart above.
  - If you are between sizes, choose the larger option.
- Fabric offers natural 4-way stretch for a comfortable athletic fit.
